

Tulare County Library, Visalia Branch Presents...

CALIFORNIA BUDGET CHALLENGE

How would you balance California's budget?

How much time do you spend on roads, highways or public transit? Are you concerned about the cost of healthcare? Do you wonder about how the mentally ill or homeless people are faring now? Do you pay taxes?

With the California Budget Challenge, you decide how much to spend on schools, prisons, healthcare and other State programs, and how to pay for them.

WHERE: Tulare County Library, Visalia Branch, 200 W. Oak Avenue

WHEN: Friday, January 30th @ 7pm

This is our first adult program after we had our grand reopening in late October. This game is open to everyone. It is sponsored by Next Ten, an independent nonpartisan organization that engages and empowers Californians. California Budget Challenge is organized in a partnership with the California Library Association and LegiSchool. The local program on January 30th is sponsored by the Friends of the Tulare County Library along with the League of Women Voters.

PLEASE JOIN US FOR THIS EXCITING EVENT!
