How would YOU balance the budget?

Thursday, June 19, 9:45 to 11:30 am  
(9:45 refreshments, 10:00 program)

Vista Room, Hillside Clubhouse  
Rossmoor (gate at Tice Valley Blvd and Rossmoor Pkwy)

Put on your thinking caps as you are presented with some of the TOUGH CHOICES the governor and legislature must negotiate this year and in the future.

You decide how much to SPEND on schools, the environment, healthcare, prisons and other state programs --

Then figure out how to PAY for the programs you want.

Every audience member will vote for their budget priorities using an instant-response keypad, and attempt to agree on a budget with the other participants.

*People with all viewpoints are encouraged to participate!*
